- Federal Perkins Loan Program

The Perkins Loan program provides low-interest loans to help undergraduate and graduate students with exceptional financial need pay for their higher education. The general loan limits depend, in part, on the student's year in school. Students attending school at least half-time do not begin repaying their loan until nine months after they graduate, leave school, or drop below half-time status. Less-than-half-time students may have a different grace period. Borrowers have up to 10 years to repay the loan. Troy University has limited access to Perkins Loan funds. Priority is given to students with the lowest EFC, determined by information provided on the Free Application for Federal Student Aid (FAFSA), who also receive Pell Grants. There is no guarantee that every eligible student will receive a Perkins Loan, so it is important to apply early to have a better chance. Perkins Loans are based on the availability of funds at Troy University. If you have been awarded a Perkins Loan, you may download, print, complete, and return the signed Perkins Promissory Note from our website.

Direct Stafford Loans

Direct Stafford Loans require a FAFSA and include the following federal programs:

- Subsidized Loans

Subsidized loans are awarded based on the student's calculated need from the FAFSA. The interest is paid by the government while at least half-time enrollment is maintained. You are charged a 3% to 4% fee by the federal government when you borrow; the amount of your loan sent to the school is reduced by that fee. Repayment begins six months after enrollment has ceased or dropped to below half-time status. Once in repayment interest rate is variable and caps at 8.25%.

- Direct Unsubsidized Loans

Unsubsidized loans are not based on calculated need, but still necessitate the filing of the FAFSA for eligibility determination. You are charged a 3% to 4% fee by the Federal government when you borrow; the amount of your loan sent to the school is reduced by that fee. Interest rate is a maximum of 8.25%. Interest is not paid by the Federal government, and the student is responsible for all interest associated with the loan. Interest payments can be capitalized (added to the loan at repayment) if no payments are made during enrollment. Repayment begins six months after enrollment has ceased or dropped below half time.

- Direct PLUS Loan

Direct PLUS Loan is for parents of dependent students and is not based on need but a FAFSA is required. Parents may qualify for the PLUS Loan for the difference between your education costs and the amount financial aid you are awarded.

Interest rates for the Direct Stafford and Direct PLUS Loans vary. The federal government pays the interest on the q Mborrow;|
